September 23, 2022 | 9:00 am to 2:00 pm

Keynote Speaker: Representative Blake Moore

ELECTRIFICATION FORUM POWER UP UTAH

WHAT

Where business meets the environment. Electrifying the transportation system increases efficiency, uses cleaner energy and is good for business.

WHY

Electrification helps improve air quality, reduces greenhouse emissions and benefits business bottom-line by saving longer term operating and maintenance costs.

WHERE

Utah Transit Authority Headquarters
669 West 200 South, Salt Lake City
